

Athletic Department Mission, Vision, and Strategic Goals

Wallace Community College-Selma Athletics recognizes a commitment to serve both its student-athletes and WCCS. Its primary commitment is to provide an opportunity for student-athletes to fully develop their academic and athletic potential. Through practice, training and competition, the department strives to instill in each student-athlete;

- Good sportsmanship and personal integrity
- Loyalty to the group and the ability to function with others as a team.
- Appreciation for the benefits of hard work, motivation and perseverance in both winning and losing situations.
- Pride in accomplishments gained through fair and honest means.

A strong athletic program does much to generate pride and enthusiasm in students, alumni, the college as a whole, and community which the college serves. The public relations, goodwill and service provided by a strong athletic program benefit WCCS in ways which cannot be measured in strictly economic terms. Through its athletic program, WCCS accomplishments and academic goals are made known to the public.
