## **Executive Summary**

Students receiving a credential from Wallace Community College Selma (WCCS) were asked to respond to a survey upon graduation. In the 2018-2019 academic year (Fall, Spring, and Summer semesters), 151 students responded to the survey. Three students (1.99%) anticipated graduating in Fall 2018, 93 students (61.59%) anticipated graduating in Spring 2019, and 55 students (36.42%) anticipated graduating in Summer 2019. Of the respondents, 36.90% received a certificate, 47.59% received an Associate in Science, 24.14% received an Associate in Applied Science, and 1.39% received an Associate in Arts.

In the year after graduation, 31.03% are planning being employed full-time, 37.24% are planning on transferring to a four-year college or university, and 20.69% are planning on returning to WCCS for an additional credential.

A majority (89.04%) of the respondents indicated that their overall impression of the quality of education at WCCS was good or excellent and 74.66% would choose to attend WCCS again.

## Introduction

Graduating students for Fall 2018, Spring 2019, and Summer 2019 semesters were asked about their experiences at WCCS and their post-graduation plans. Students were asked to indicate the semester of graduation, their plans for the coming year, which academic credential they received, their overall impression of the quality of education at WCCS, and if they would choose WCCS if they could start college over.

**Satisfaction with Academic Services, College Services, Facilities, Registration, and the College in General**

Graduating students were also asked to rate their satisfaction with academic services, college services, facilities, registration, and the college in general. Students were most satisfied with the appearance of the grounds, general appearance of the buildings, and the registration process. Students were most dissatisfied with the out of class availability of instructors, the attitude of instructors towards students, and lab/shop equipment and supplies.
