Executive Summary

Students receiving a credential from Wallace Community College Selma (WCCS) were asked to respond to a survey upon graduation. In the 2020-2021 academic year (Fall, Spring, and Summer semesters), 86 students responded to the survey. Nine students (10.47%) anticipated graduating in Fall 2020, 60 students (69.77%) anticipated graduating in Spring 2021, and 17 students (19.77%) anticipated graduating in Summer 2021. Of the respondents, 37.21% received a certificate, 34.88% received an Associate in Science, 23.26% received an Associate in Applied Science, and 2.33% received an Associate in Arts.

In the year after graduation, 25.58% are planning being employed full-time, 40.70% are planning on transferring to a four-year college or university, and 30.23% are planning on to pursue full-time employment and a higher degree at the same time.

Students were most satisfied with the testing system, the appearance of the grounds, and the college in general. Students were most dissatisfied with the out of class availability of instructors, the attitude of instructors towards students, and the Student Center.

A majority (88.37%) of the respondents indicated that their overall impression of the quality of education at WCCS was good or excellent and 70.93% would choose to attend WCCS again.

Introduction

Graduating students for Fall 2020, Spring 2021, and Summer 2021 semesters were asked about their experiences at WCCS and their post-graduation plans. Students were asked to indicate the semester of graduation, their plans for the coming year, which academic credential they received, their overall impression of the quality of education at WCCS, and if they would choose WCCS if they could start college over.
