**All online courses require two on-campus assessments. The date and time of each assessment will be announced within each course.**

Students who pre-register for courses and do not pay for them will be removed from the system before the start of regular registration.

**RECEIVING YOUR AID:** If you mail your application or apply over the internet, you must request a federal processor to send the results of your FAFSA to WCCS (simply fill out Step six of the FAFSA that asks for the federal school code of schools you may request to receive your SAR). B. Electronically through FAFSA on the web at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

C. Electronically through the WCCS Financial Aid Office. In order to receive notification in a timely manner, all information must be submitted to the Financial Aid Office by **December 1, 2017**.

Applications will be processed after **December 1, 2017**; however, your award may not be completed in time to receive aid for Spring 1st session.

3. In three to six weeks, you will receive your Student Aid Report (SAR).

4. Timely submit any other requested information such as tax returns, W-2's, and verification worksheets. Your file must be completed before an award estimate can be sent to you.

5. All students applying for Pell Grant will be required to:

- Visit your website <http://wccs.edu/>.
- Log in to MY WALLACE SELMA using the new ID # that was emailed by the Financial Aid Office. (If you did not receive that information by email you may use your SSN and six digit date of birth ex: 010101 to receive information regarding application status.)
